WELCOME TO TOLLERTON

An introductory guide to the village

We at St Michael's Church, Tollerton, would like to welcome you to our village. We hope you'll find plenty of information here to help you settle into your new home and make the most of the services and facilities that Tollerton has to offer.

You're very welcome to join us for our regular church services at 10.30am on Sundays. These are relaxed and not too formal, with coffee-time afterwards to chat. We're on Newton Road (see the map on pages 10 and 11) and details of services are posted on the notice board at the front as well as on our Facebook page. Various groups and activities take place during the week, which you can find out about on our website www.stmichaelstollerton.co.uk and Facebook page www.facebook.com/stmichaelstollerton.

We regularly pray for the village and villagers and any issues we're aware of that people may be facing – a bereavement, perhaps, or concern for someone who's ill, or a decision to be made. Whether or not you choose to join us on Sundays, feel free to post a prayer request in the church letterbox next to the porch and we'll include it in our prayers.

Our vicar is Rev Lucy Brencher

RUBBISH MATTERS

Bin Collection: Dates for collection are on the North Yorkshire website www.northyorks.gov.uk/bins-recycling-and-waste

Days for different types of rubbish vary, so check.

Garden Waste: Garden Waste Service (Green bins) can be purchased from hambleton.gov.uk/garden-waste/garden-waste-service/1

Household Waste & Recycling Centre: Tholthorpe www.northyorks.gov.uk/find-your-local-household-waste-recycling-centre Note that they are closed on Wednesdays.

And not forgetting your pooch's waste...

As dog numbers have increased greatly in the village over the years, it is more important than ever to pick up after your pet, for the benefit of other walkers and particularly for the livestock in the fields, as well as foolish puppies who will eat anything. You will find plenty of waste bins around the village.
